# PRESIDENT'S LETTER

Dear IMANE Family,

**“It’s no use going back to yesterday, because I was a different person then.” - Lewis Carroll**

2021 has certainly been a year full of ongoing anticipation, resilience, uncertainty and cautious optimism. After battling through the onset of a Global Pandemic in 2020, most of us have felt the impact of passing through various stages of the **Kübler-Ross Grief Cycle**. Today, not only I feel humbled and honored being part of the IMANE community, but also feel proud and grateful for everything our members, alliance partners and our extended families have achieved together in these difficult times.

Life of a healthcare professional in today’s environment is full of challenges and uncertainties we have never faced in the past. While we are not going back to yesterday, we have to embrace our past irrespective of our desires and work together to build a better future for generations to come. I am really thankful for members and our community partners who showed us in 2021 despite all uncertainties, how we can all do our part in making the difference.

From organizing and participating in virtual health forums to volunteering for COVID-19 vaccination clinics, members have been there for our New England community Inspiring, educating and Motivating much needed change to build a new normal. Advocating for the betterment of healthcare of our communities here in New England and back in India during COVID surge this year has been a dual crisis environment many of our community members have faced gracefully no matter the odds and demand of the day. We have closely collaborated and worked with Network of our alliance partners in 2021 to facilitate fundraisers & campaigns geared towards helping underserved communities in India. Empowering our community through new partnerships and facilitating activities with common objectives has been at the center of our new normal in 2021.

Once again I would like to show my sincere gratitude and thank you all for your dedication in helping our communities. Please join me in welcoming the 2022 IMANE Leadership team as we continue our journey together to further IMANE mission and goals.

With that I would like to wish you and your families a very safe, happy and healthy new year.

Thank you

Dhrumil Shah, MD

President, IMANE 2021

# CHAIR OF BOARD OF TRUSTEES

Dear IMANE Family,

On behalf of the IMANE Board of Trustees, it is my pleasure to welcome you all for this in person meeting on December 11, 2021.

Unfortunately 2020 and part of 2021 were dead years because of the COVID19 pandemic. Board of Trustees congratulate Dr. Dhrumil Shah for his leadership during these trying times. He kept the communication going and activities going using zoom meetings, emails and telephone calls. His continued efforts and constant prodding and reminders kept the organization functioning well and achieving a lot.

Board also congratulates IMANE EC committee members for their efforts and hard-work during the past year. On behalf of the Board of Trustees I congratulate you all and wish for a much better and more active next year.

Many thanks to all the members of IMANE participating in this year's General Body meeting and the program including CME meeting and other activities.

Pramod Shah, MD  
Chair, Board of Trustees  
IMANE, 2021

# PRESIDENT ELECT'S LETTER

Dear IMANE Physicians and Community Members,

As a physician, our life is constantly evolving and full of challenges in current times. Last two years have been very special for our healthcare community as we all continue to work together to defer COVID19 Pandemic. The Clear sign of UNITY can not be seen anywhere else but in healthcare. Here all healthcare professionals across the globe flexed their muscles and got to work tirelessly to find novel diagnostics, treatments & vaccination - to defeat the deadly Pandemic for our communities. Many scientists were successful in narrowing down the medicine which might work, others devoted their time in finding ways to prevent it from spreading further.

One clear message I got out of this is that, If we work together then anything can be possible. "Real Strength Lies in UNITY". As we move forward towards 2022 I urge support from all IMANE members to help us make our organization stronger.

Our current President Dr. Dhrumil Shah led the organization in one of the most difficult times over last two years. During his time as president, he has fostered relationships with many organizations in New England which will help us strengthen IMANE further. One of my major goal during 2022 as President will be to expand the IMANE physician and non-physician membership base which can add substantial value to new and existing members.

I look forward to your support, participation and ongoing engagement as we all work to further mission and values of IMANE. I would like to wish you and your families a very safe, happy and healthy new year.

Thank you  
Akash Patel, MD  
President-elect, IMANE 2021

# CHIEF GUEST

**George M. Abraham, MD, MPH, FACP, FIDSA**

Dr. George M. Abraham is Chief of Medicine at Saint Vincent Hospital, Worcester, Massachusetts, a Professor of Medicine at the University of Massachusetts Medical School, and Adjunct Professor at the Massachusetts College of Pharmacy and Health Sciences (MCPHS). He is board certified in Internal Medicine and Infectious Disease.

He is the President (2021-22) of the American College of Physicians (the largest internal medicine specialty organization in the world), having served as the Emeritus Chair of the Board of Governors and a Regent of the College prior. He served as the Governor of the Massachusetts Chapter of the American College of Physicians (ACP) from 2014-18 and as Chair of the Board of Governors from 2018-19. Recently, he was awarded a Mastership in the College

He is the Chair Emeritus of the Infectious Disease Board of the American Board of Internal Medicine, which is tasked with certifying all subspecialists in the field of infectious disease.

Dr. Abraham is also the Immediate-Past Chair of the Board of Registration (Licensing) in Medicine, Massachusetts (appointed by Governor Deval M. Patrick and reappointed by Governor Charles D. Baker). Prior to this, he has served as a Trustee of the Massachusetts Medical Society (owner of the New England Journal of Medicine), as President of the Worcester District Medical Society, as the Chief Medical Officer of the Central Massachusetts Independent Physician Association and Chair of the Board of Directors of the Health Foundation of Central Massachusetts.

# EXECUTIVE COMMITTEE 2021

**Dhrumil Shah, MD - *President***

Dhrumil Shah is a family physician and a CMIO/CIO at Compass Medical, an independent provider led organization in Southeast Massachusetts. His primary interests and focus areas are Digital health innovation, Data science and Care analytics, Health innovation and Entrepreneurship and Life science technology commercialization. Dr. Shah did his Family Medicine training at New Jersey Medical School, and subsequently graduated from University of Illinois Chicago completing his Post Masters in Health Informatics. He is actively involved in Health IT space via advisory services and participates in national and regional speaking engagements

**Akash Patel, MD - *President Elect***

Dr. Patel earned his Medical School Degree from Pramukhswami Medical College; Sardar Patel University; Gujarat, India. Dr. Patel completed his Family Medicine Residency at University of Medicine & Dentistry of New Jersey / Hoboken University Medical Center in Hoboken, NJ. Dr. Patel is Board Certified in Family Medicine. Dr. Patel's clinical interests include Hypertension, Cardiovascular Health and Preventive Medicine.

**Deepa Jhaveri, DPM - *Treasurer***

Dr. Deepa Jhaveri is a board certified surgical podiatrist. She earned her undergraduate degree at University of Maryland and Podiatric medical degree at Temple University. She is credentialed and works at Beth-Israel Lahey Hospital, Massachusetts General Hospital and Boston Medical Center.

# EXECUTIVE COMMITTEE 2021 MEMBERS AT LARGE

**Sonali Khond, MD**

Dr. Sonali Khond is a primary care physician at Compass Medical located in the town of Easton. She also serves as an assistant medical director at Southeast Rehabilitation & Skilled Care Center. Dr. Khond has graduated from Lokmanya Tilak Municipal Medical College in Mumbai, India, and has completed her residency from New York. Dr. Khond is honored to be part of the IMANE committee and strives to increase networking among the organization. Outside of the medical world, Dr. Khond's hobbies include traveling, dancing, yoga, meditation.

**Mohini Malhotra, MD**

Dr C Mohani Malhotra, (Monie), a graduate of Lady Hardinge Medical College with residency training at AIIMS, New Delhi has been professionally affiliated with Harvard Hospitals, Lahey Clinic, VA Medical centers and academically with Harvard and Tufts in Boston, UMass in Worcester and Brown University in Providence RI as neuroradiologist. She served in USAR and retired as Lt. Col. She has served IMANE at various levels during the past several years. Parallel with academic medical carrier she took training in fine arts including classes at Museum of Fine Arts in Boston. She currently conducts art classes in her art center.

**Shikha Merchia, MD**

Shikha Merchia is board certified in Internal Medicine with special clinical interest in obesity and lifestyle medicine. Currently works at Compass Medical in East Bridgewater MA . She has been a member of IMANE for 13 years and a member at large for 3 years.

# EXECUTIVE COMMITTEE 2021 MEMBERS AT LARGE

**Paul G. Mathew, MD, FAAN, FAHS**

Paul G. Mathew, MD, DNBPAS, FAAN, FAHS is an Assistant Professor of Neurology at Harvard Medical School (HMS), and an Affiliate Member of the HMS Division of Sleep Medicine. He holds clinical positions at Mass General Brigham Health and Harvard Vanguard Medical Associates/Atrius Health. Dr. Mathew is the Co-Chief Medical Editor of the journal Practical Neurology, Chair of the American Headache Society Procedural Special Interest Section, Vice-Chair of the Headache and Facial Pain Section of the American Academy of Neurology, and a Member of the Board of the Directors of the National Headache Foundation. In March, 2015, Dr. Mathew was appointed as the neurology representative on the advisory board of the National Board of Physicians and Surgeons ([www.NBPAS.org](http://www.NBPAS.org)), and in January, 2019 was appointed Director of Legislative Affairs.

**Geeta Trivedi, MD**

Geeta Trivedi, MD, graduated from BJ Medical College, Amdavad, Gujarat, India, and soon after started a career in anesthesiology since coming to the U.S. in 1971. She received her anesthesiology training from Cambridge City Hospital and was a Clinical Fellow at Harvard University. She has been on the staff of Malden Hospital and Santa Maria Hospital in Cambridge and currently works at the Same Day Surgical Center in Fall River, MA, as an anesthesiologist. Dr. Trivedi is married to Rajendra Trivedi, MD, who is a psychiatrist in Stoneham, MA, and a member of IMANE. She was Treasurer of IMANE for two years and has volunteered with her husband and their families working with the Blind People's Association in Gujarat, India

# IMMEDIATE PAST PRESIDENT

**Saraswathi Muppana, MD**

Dr Muppana is American Board Certified in Internal Medicine, Pulmonary, Critical care medicine, Sleep medicine and Obesity medicine. She runs a multi specialty practice in Boston at two locations, and affiliated with Beth Israel Deaconess - Lahey Hospital Milton and Plymouth locations, and Tufts Medical Center, Massachusetts.

AND SOCIAL

# WOMEN'S FORUM

IMANE Women's Forum, IWF is fully awake after its periods of intermittent slumber and this in spite of incessant undermining attempts of Covid over the past year.

Dr. Sapna Aggarwal took the Initiative to awaken it, supported by Dr. Monie Malhotra and working together with superb technical skills of IMANE president Dr. Dhruvil Shah to deliver the presentations over Zoom and Facebook real time streaming. IWF facebook group now has over 200 members and growing.

The topics covered included dialogues promoting healthy living, be it food, boosting immune systems, various forms of exercise, dental health and aesthetics. The participation has been immensely rewarding including medical and non medical community with scores of folks in audience over Zoom as well as FB streaming.

We are in momentum again and we intend to continue this trend over the coming years keeping IWF alive and kicking.

In January 2001, Dr. Satinder Dhillon founded the Norfolk Center for Cancer Care and Hematology (NCCCH) to provide exceptional, comprehensive cancer care not normally available in a small community setting. Today, the Center's success reflects her continued commitment to this principle, and each patient and family story attests to that.

A cancer diagnosis can be the beginning of a difficult journey with an uncertain destination. Under the supervision of Dr. Dhillon, the trained and dedicated staff of NCCCH provides patients with access to cutting-edge technology and cancer therapies, including surgery, radiation therapy, chemotherapy, immunotherapy and targeted therapy. In collaboration with cancer specialists from Boston's renowned medical centers, our providers monitor the latest medical breakthroughs and research to provide personalized care for each patient.

NCCCH provides a healing environment where patients and their families find comfort, strength, and hope. Dr. Dhillon and her team are committed to providing comprehensive individualized care for each patient from diagnosis to treatment and thereafter.

Biohaven is a clinical-stage biopharmaceutical company with proven leadership in industry and academic settings. Our portfolio is comprised of innovative, late-stage product candidates targeting neurological and neuropsychiatric diseases, including rare disorders. Our progress is fueled by an entrepreneurial organizational structure and an impressive range of experience in drug development along with the confident support of top-tier biopharma investors. Biohaven has combined internal development and research with intellectual property licensed from companies and institutions including Bristol-Myers Squibb Company, AstraZeneca AB, Yale University, Catalent, ALS Biopharma LLC and Massachusetts General Hospital.

Since our initial public offering in 2017, we have made rapid progress with multiple compounds across our CGRP receptor antagonist, glutamate modulator, and myeloperoxidase (MPO) inhibitor platforms. Nurtec™ ODT (Rimegepant 75 mg) received FDA approval in February 2020 and is quickly gaining traction as the only orally disintegrating CGRP antagonist for acute treatment of migraine. At the same time, Biohaven is advancing novel acute and preventive treatments for migraine with zavegepant and rimegepant. In addition to continued exploration of our CGRP receptor antagonists, multiple clinical trials are ongoing for product candidates across our neuroinnovative platforms.

## Did you know?

We are the only Senior Care Options plan in Massachusetts to be rated **5 out of 5 Stars** from Medicare **6 years in a row!**

<sup>1</sup>Benefit and network limits may apply. <sup>2</sup>Non-emergency. Non-medical rides limited to 1 round trip per month, 20 miles each way of trip. Members must use plan-approved vendor to access benefit. Exceptions may apply. <sup>3</sup>8 a.m. – 8 p.m., 7 days a week (Mon. – Fri. from Apr. 1 – Sept. 30). Every year, Medicare evaluates plans based on a 5-Star rating system. Visit [www.medicare.gov](http://www.medicare.gov) for more information. Tufts Health Plan Senior Care Options received 5 out of 5 Stars for contract years 2016, 2017, 2018, 2019, 2020, and 2021. Tufts Health Plan Senior Care Options is an HMO-SNP with a Medicare contract. Enrollment in Tufts Health Plan Senior Care Options depends on contract renewal. The HMO-SNP is available to anyone who has both MassHealth Standard (Medicaid) and Medicare Parts A and B. The SCO is available to anyone who has MassHealth Standard only. You are not eligible to enroll into Tufts Health Plan Senior Care Options if you are enrolled in any other health insurance plan, with the exception of Medicare. Other eligibility requirements and restrictions may apply. H2256\_S\_2021\_65\_M
